Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Open Enrollment

If a member does not elect to participate when initially eligible, the member may elect to participate at the policyholder's next enrollment period. This enrollment period will be held each year and those who elect to participate in this policy at that time will have their insurance become effective on January 1. If you do not enroll during your company's open enrollment period, then you will be subject to the Late Entrant Provision.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.

Section 125

This plan is provided as part of the Policyholder's Section 125 Plan. Each employee has the option under the Section 125 Plan of participating or not participating in this plan. If an employee does not elect to participate when initially eligible, he/she may elect to participate at the Policyholder's next Annual Election Period.

Dental Cost Estimator

Members can use our dental cost estimator at any time to find average procedure charges in their area. The estimates do not include network discounts or plan benefits. Find the dental cost estimator at ameritas.com/applications/group/estimator.

After coverage begins, members can view average in-network charges in their secure member account. Members also may ask their dentist's office to submit a pretreatment estimate so they can see exactly how a proposed service would be covered and avoid any surprises. The pretreatment estimate is based on their plan benefits.

SoundCareSM Hearing Health Benefits

Life's getting louder.SM Thanks to the cranked-up volume of modern life, hearing loss has become one of the most common chronic health problems in the U.S. It afflicts more than 30 million of us - about 10% of the population has a significant hearing loss - and the number is growing. Today's Baby Boomers have the most active and noisy lifestyle of any previous generation. And hearing loss is occurring at younger and younger ages, partly because of electronic devices that flood our society.

In addition to the obvious culprits we're sticking in our ears - portable media players, cell phone earpieces, gaming headsets - here's a look at common noises that affect hearing, and the amount of time it can take for hearing loss to occur:

- stadium football game: two and a half hours
- tractor: 37 minutes
- hand drill: 23 minutes
- snowmobile: 15 minutes
- leaf blower, smoke alarm, chain saw, airplane cabin: a minute and a half
- rock concert, ambulance: 9 seconds

An Important Benefit

Today's top employers care about the well-being of their employees. Taking care of your hearing is an important but often overlooked habit for good health, and SoundCare can help. Practice good hearing health habits, prevent future problems and seek treatment when needed. That's sound advice for a happy, healthy future.

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams for the first 12 months they are covered.
