Changes in Insurance Amounts

Any increase or decrease in the amount of insurance on any individual shall become effective on the effective date of a change in the Employee's classification, except that any increase in the amount of insurance on an Employee or a Qualified Dependent eligible for benefits under an established benefit period shall become effective:

In no event shall the insurance of an Eligible Dependent of an Employee who is not actively at work on a full-time basis be increased or decreased prior to the date such Employee returns to active work on a full-time basis.

GENERAL PROVISIONS

Definitions

As used in this policy:

"Guardian," "Insurance Company," "our," "us" and "we" mean The Guardian Life Insurance Company of America.

"Plan" means this group insurance policy.

"Covered person" means an employee or dependent insured by this policy.

P140.0136

Option A

Incontestability

This Policy shall be incontestable after two years from its policy date, except for non-payment of premiums.

No statement in any application, except a fraudulent statement, made by a person insured under this policy shall be used in contesting the validity of his insurance or in denying a claim for a loss incurred, or for a disability which starts, after such insurance has been in force for two years during his lifetime.

If this policy replaces the group policy of another insurer, we may rescind this policy based on misrepresentations made in the policyholder's or a covered person's signed application for up to two years from this policy's policy date.

P140.0150

Option A

Associated Companies

An associated company is a corporation or other business entity affiliated with the policyholder through common ownership of stock or assets.

If the policyholder asks us in writing to include an associated company under this policy, and we give our written approval, we'll treat employees of that company like the policyholder's employees. Our written approval will include the starting date of the company's coverage under this policy. But each eligible employee of that company must still meet all of the terms and conditions of this policy before he'll be insured.

The policyholder must notify us in writing when a company stops being associated with him. On the date a company stops being an associated company, this policy will end for all of that company's employees, except those employed by the policyholder or another covered associated company as eligible employees, on such date.

GP-1-R-AC-90

P140.0151

Option A

Premiums

Premiums due under this policy must be paid by the policyholder at an office of the Guardian or to a representative that we have authorized. The premiums must be paid as specified on the first page of this policy, unless by agreement between the policyholder and the Guardian, the interval of payment is changed. In that event, adjustment will be made to provide for payment annually, semi- annually, quarterly or monthly.

The premium due under this policy on each policy due date will be the sum of the premium charges for the insurance coverages provided under this policy. The premium charges are based upon the rates set forth in this policy's "Schedule of Insurance and Premium Rates" section.

However, we may change such rates: (a) on the first day of any policy month; (b) on any date the extent or terms of coverage for a policyholder are changed by amendment of this policy; (c) on any date our obligation under this policy with respect to a policyholder is changed because of statutory or other regulatory requirements; or (d) if this policy supplements, or coordinates with benefits provided by any other insurer, non-profit hospital or medical service plan, or health maintenance organization, on any date our obligation under this policy is changed because of a change in such other benefits.

We must give the policyholder 31 days written notice of the rate change. Such change will apply to any premium due on and after the effective date of the change stated in such notice.

Adjustment of Premiums Payable Other Than Monthly or Quarterly

Under the above provision, if a premium rate is changed after an annual or semi-annual premium became payable with respect to coverage on and after the date of such change, the premium will be adjusted by a proportionate increase or decrease for the unexpired period for which the premium became payable. If the adjustment results in a decrease, the amount of the decrease will be paid to the policyholder by us. If the adjustment results in an increase, the amount of the increase will be considered a premium due on the date of the rate change. This policy's grace period provisions will apply to any such premium due.

Grace in Payment of Premiums - Termination of Policy

A grace period of 31 days, without interest charge, will be allowed the policyholder for each premium payment except the first. If any premium is not paid before the end of the grace period, this policy automatically ends at the end of the grace period. However, if the policyholder gives us advance written notice of an earlier termination date during the grace period, this policy will end as of such earlier date.

If this policy ends during or at the end of the grace period, the policyholder will still owe us premium for all the time this policy was in force during the grace period.

This policy ends immediately on any date when an insurance coverage under this policy ends and, as a result, no benefits remain in effect under this policy.

GP-1-R-PREM-90

P140.0529

Option A

Term of Policy - Renewal Privilege

This policy is issued for a term of one (1) year from the policy date shown on the first page of this policy. All policy years and policy months will be calculated from the policy date. All periods of insurance hereunder will begin and end at 12:01 A.M. Standard Time at the policyholder's place of business.

If this policy provides coverage on a non-contributory basis, 100% of the employees eligible for insurance must be enrolled for coverage. If dependent coverage is provided on a non-contributory basis, all eligible dependents must be enrolled.

The policyholder may renew this policy for a further term of one (1) year, on the first and each subsequent policy anniversary. All renewals are subject to the payment of premiums then due, computed as provided in this policy's "Premiums" section.

However, we have the right to decline to renew this policy, or any coverage hereunder on any policy anniversary or premium due date, if, on that date: (a) less than 10 employees are insured under this policy; or (b) with respect to a non-contributory policy, less than 100% of those employees eligible are insured under this policy; or (c) with respect to a contributory policy, less than 75% of those employees eligible are insured under this policy.

P140.0626

If this policy provides dependents coverage, we may decline to renew such coverage on any policy anniversary or premium due date, if: (a) with respect to a non-contributory policy, less than 100% of all eligible dependents are enrolled for coverage under this policy; or (b) with respect to a contributory policy, less than 75% of those employees eligible for dependents coverage are insured as such.

The policyholder may cancel this policy at any time by giving us 31 days advance written notice. This notice must be sent to our Home Office. And the employer will owe us all unpaid premiums for the period this plan is in force.

The Contract

The entire contract between the Guardian and the policyholder consists of this policy, and the policyholder's application, a copy of which is attached hereto or endorsed hereon.

We can amend this policy at any time, without the consent of the insured employees or any other person having a beneficial interest therein, as follows:

We can amend this policy: (a) upon written request made by the policyholder and agreed to by the Guardian; (b) on any date our obligation under this policy with respect to a policyholder is changed because of statutory or other regulatory requirements; or (c) if this policy supplements, or coordinates with benefits provided by any other insurer, non-profit hospital or medical service plan, or health maintenance organization, on any date our obligation under this policy is changed because of a change in such other benefits.

If we amend the policy, except upon request made by the policyholder, we must give the policyholder written notice of such amendment.

Any amendments to this policy will be without prejudice to any claim arising prior to the date of the change.

No person, except by a writing signed by the President, a Vice President or a Secretary of The Guardian, has the authority to act for us to: (a) determine whether any contract, policy or certificate of insurance is to be issued; (b) waive or alter any provisions of any insurance contract or policy, or any requirements of The Guardian; or (c) bind us by any statement or promise relating to the insurance contract issued or to be issued; or (d) accept any information or representation which is not in a signed application.

All personal pronouns in the masculine gender used in this policy, will be deemed to include the feminine also, unless the context clearly indicates the contrary.

GP-1-R-TERM-90

P140.0627

Option A

Clerical Error - Misstatements

Neither clerical error by the policyholder, a participating employer or the Guardian in keeping any records pertaining to insurance under this policy, nor delays in making entries thereon, will invalidate insurance otherwise validly in force or continue insurance otherwise validly terminated. However, upon discovery of such error or delay, an equitable adjustment of premiums will be made.

Premium adjustments involving return of unearned premium to the policyholder will be limited to the period of 90 days preceding the date of our receipt of satisfactory evidence that such adjustments should be made.

If the age of an employee, or any other relevant facts, are found to have been misstated, and the premiums are thereby affected, an equitable adjustment of premiums will be made. If such misstatement involves whether or not an insurance risk would have been accepted by us, or the amount of insurance, the true facts will be used in determining whether insurance is in force under the terms of this policy, and in what amount.

Statements

No statement will void the insurance under this policy, or be used in defense of a claim hereunder unless: (a) in the case of the policyholder, it is contained in the application signed by him; or (b) in the case of a covered person, it is contained in a written instrument signed by him.

All statements will be deemed representations and not warranties.

GP-1-R-CE-90

P140.0309

Option A

Assignment

An employee's right to assign any interest under this policy is governed as follows:

- Any death benefits (including any basic term life, supplemental term life, optional term life or accidental death and dismemberment coverages) provided by this policy, may not be assigned.
- With respect to accident and health insurance, both the employee's certificate and his right to insurance benefits under this policy are not assignable. However, the employee may direct us, in writing, to pay hospital, surgical, major medical, or dental benefits to the recognized provider who provided the covered service for which benefits became payable. We may honor such request at our option. But, the employee may not assign his right to take legal action under this policy to such provider. And we assume no responsibility as to the validity or effect of any such direction.

Assignment By Policyholder

Assignment or transfer of the interest of the policyholder will not bind us without our written consent thereto.

GP-1-R-ASSIGN-90

P140.0165

Option A

Dividends

The portion, if any, of the divisible surplus of the Guardian allocable to this policy at each policy anniversary will be determined annually by the Board of Directors of the Guardian and will be credited to this policy as a dividend on such anniversary, provided this policy is continued in force by the payment of all premiums to such anniversary.

Any dividend under this policy will be paid to the policyholder in cash, or at the option of the policyholder it may be applied to the reduction of the premiums then due.

In the event that the employees are contributing toward the cost of the coverage under any group policy issued to the policyholder and the aggregate dividends under this policy and any other group policy or policies issued to the policyholder are in excess of the policyholder's share of the aggregate cost, such excess will be applied by the policyholder for the sole benefit of the employees.

Payment of any dividend to the policyholder will completely discharge our liability with respect to the dividend so paid.

GP-1-R-DIV-90

P140.0168

Option A

Employee's Certificate

We will issue to the policyholder, for delivery to each employee insured under this policy, a certificate of coverage. The certificate will state the essential features of the insurance to which the employee is entitled and to whom the benefits are payable. But the certificate does not constitute a part of this policy and will in no way modify any of the terms and conditions set forth in this policy.

In the event this policy is amended, and such amendment affects the material contained in the certificate of coverage, a rider or revised certificate reflecting such amendment will be issued to the policyholder for delivery to affected employees.

Claims of Creditors

Except when prohibited by the laws of the jurisdiction in which this policy was issued, the insurance and other benefits under this policy will be exempt from execution, garnishment, attachment, or other legal or equitable process, for the debts or liabilities of the covered persons or their beneficiaries.

Records - Information To Be Furnished.

The policyholder must keep a record of the insured employees containing, for each employee, the essential particulars of the insurance which apply to the employee. The policyholder must periodically forward to us, on our forms, such information concerning the employees in the classes eligible for insurance under this policy as may reasonably be considered to have a bearing on the administration of the insurance under this policy and on the determination of the premium rates. For benefits which are based on an employee's salary, changes in an employee's salary must promptly be reported to us. The policyholder's payroll and other such records which have a bearing on the insurance must be furnished to us at our request at any reasonable time.

GP-1-R-CERT-90

P140.0167

Option A

Examination and Autopsy

We have the right to have a doctor of our choice examine the person for whom a claim is being made under this policy as often as we feel necessary. And we have the right to have an autopsy performed in the case of death, where allowed by law. We'll pay for all such examinations and autopsies.

GP-1-R-EA-90

P140.0166

Option A

Accident And Health Claims Provisions

An employee's right to make a claim for any accident and health benefits provided by this plan is governed as follows:

Notice: The employee must send us written notice of an injury or sickness for which a claim is being made within 20 days of the date the injury occurs or the sickness starts. This notice should include his name and plan number.

Proof of Loss: We'll furnish the employee with forms for filing proof of loss within 15 days of receipt of notice. But if we don't furnish the forms on time, we'll accept a written description and adequate documentation of the injury or sickness that is the basis of the claim as proof of loss. The employee must detail the nature and extent of the loss for which the claim is being made. He must send us written proof within 90 days of the loss.

If this plan provides weekly loss-of-time insurance, the employee must send us written proof of loss within 90 days of the end of each period for which we're liable. If this plan provides long term disability income insurance, he must send us written proof of loss within 90 days of the date we request. For any other loss, he must send us written proof within 90 days of the loss.

Late Notice or Proof: We won't void or reduce a claim if the employee can't send us notice or proof of loss within the required time. But he must send us notice and proof as soon as reasonably possible.

Payment of Benefits: We'll pay benefits for loss of income once every 30 days for as long as we're liable, provided the employee submits periodic written proof of loss as stated above. We'll pay all other accident and health benefits to which the employee's entitled as soon as we receive written proof of loss.

We pay all accident and health benefits to the employee, if he is living. If he's not living, we have the right to pay all accident and health benefits, except dismemberment benefits, to one of the following: (a) his estate; (b) his spouse; (c) his parents; (d) his children; (e) his brothers and sisters; or (f) any unpaid provider of health care services. See " Employee Accidental Death and Dismemberment Benefits" for how dismemberment benefits are paid.

When the employee files proof of loss, he may direct us, in writing, to pay health care benefits to the recognized provider of health care who provided the covered service for which benefits became payable. We may honor such direction at our option. But we can't tell the employee that a particular provider must provide such care. And the employee may not assign his right to take legal action under this plan to such provider.

Limitation of Actions: The employee can't bring a legal action against this plan until 60 days from the date he files proof of loss. And he can't bring legal action against this plan after three years from the date he files proof of loss.

Workers' Compensation: The accident and health benefits provided by this plan are not in place of and do not affect requirements for coverage by Worker's Compensation.

Eligible Employees

Subject to the conditions of eligibility set forth below, and to all of the other conditions of this plan, an employee is eligible if he is in an eligible class of employees and is an active full-time employee or part-time employee.

If an employee is a partner or proprietor, we will treat him like an employee if he meets this plan's conditions of eligibility.

Conditions Of Eligibility

An employee is eligible for cancer coverage if he is:

- Legally working in the United States, or working outside of the United States for a United States based employer in a country or region approved by us; and
- Regularly working at least the number of hours in the normal work week set by the employer at: (1) the employer's place of business; (2) some place where the employer's business requires the employee to travel; or (3) any other place the employee and the employer have agreed upon for the performance of occupational duties.

An employee is **not** eligible for cancer coverage if he is:

- A temporary or seasonal employee; or
- An employee for whom, pursuant to a collective bargaining agreement, the employer makes any payments to any kind of health and welfare benefit plan other than under this plan.

Enrollment Requirement: If an employee must pay all or part of the cost of coverage, we will not cover him until he enrolls and agrees to make the required payments.

Option A

Proof of Insurability: We require that the employee answer insurability questions with respect to the employee and his or her dependents. The answers to these questions will determine whether or not the employee and his or her dependents will be covered by this Plan.

We require that the employee answer insurability questions again to change to a richer Plan of benefits, if offered by you. The answers to these questions will determine whether or not the employee and his or her dependents will be covered for the richer benefits.

Option A

The Service Waiting Period: If the employee is in an eligible class, he is eligible for cancer coverage under this plan after he completes the service waiting period, if any, established by the employer.

Option A

Multiple Employment: If an employee works for both the employer and a covered associated company, or for more than one covered associated company, we will treat the employee as if only one firm employs him. The employee will not have multiple cancer coverages under this plan. But, if this plan uses the amount of an employee's earnings to set the rates, determine class, figure coverage amounts, or for any other reason, such earnings will be figured as the sum of earnings from all covered employers.

Option A

Coverage During Temporary Layoff or Leave of Absence: If an employee's active Full-Time service ends because of lay off or leave of absence approved by the employer, the employee may continue his insurance, subject to continued payment of premium, until the earlier of: (a) the end of the temporary layoff or employer approved leave of absence; and (b) 1 months following the date the temporary layoff or approved leave of absence begins. If the employee becomes disabled under this plan while coverage is being continued during a temporary layoff or leave of absence, an employee's eligibility for benefits will be governed by all the term of this Plan.

When Employee Coverage Starts

An employee's eligibility date is the date he has met all of the conditions of eligibility.

Whether the employee must pay all or part of the cost of coverage, he must elect to enroll and agree to make the required payments before coverage will start. If the employee does this on or before his eligibility date, his coverage is scheduled to start on his eligibility date. If the employee does this within 31 days after his eligibility date, his coverage is scheduled to start on his eligibility date. If the employee elects to enroll and agrees to make the required payments more than 31 days after his eligibility date, his coverage is scheduled to start on the date he signs the enrollment form.

On the date all or part of the employee's coverage is scheduled to start, he must be: (1) actively at work; (2) fully capable of performing the major duties of his regular occupation; and (3) working his regular number of hours. In that case, the employee's coverage will start at 12:01 A.M. Standard Time for his place of residence on that date. In any other case, we will postpone the start of his coverage until the date he: (a) returns to active work; (b) is working his regular number of hours; and (c) is fully capable of performing the major duties of his regular occupation. Sometimes, a scheduled effective date is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non- scheduled work day; during a layoff of less than 180 days in duration; during an approved leave of absence not due to sickness or injury, of 90 days or less; or on a day during a period of absence that is less than 7 days in duration; and if: (a) the employee was fully capable of performing the major duties of his regular occupation for the employer on a regular basis at 12:01 AM standard time for his place of residence on the scheduled effective date; and (b) he was performing the major duties of his regular occupation and working his regular number of hours on his last regularly scheduled work day; his coverage will start on the scheduled effective date.

Exception to When Employee Coverage Starts: If an employee is not capable of performing the major duties of his regular occupation for the employer on a full-time basis on the date his coverage is scheduled to start, he will be insured for cancer insurance if:

1. he was insured under the prior insurer's group or individual cancer policy at the time of the transfer;
2. he is a member of an eligible class;
3. premiums for the employee were paid up to date ;and
4. he is not receiving or eligible to receive benefits under the prior insurer's group or individual cancer policy.

Any cancer benefit payable will be the lesser of:

1. the cancer benefit payable under the Group Policy; or
2. the cancer benefit payable under the prior insurer's group cancer or individual policy had it remained in force.

The cancer benefit payable will be reduced by any amount paid by the prior insurer's group or individual cancer policy.

All other provisions under this Policy will apply under the Exception to When Employee Coverage Starts.

The employee will remain insured under this provision until the first to occur of:

1. the date he is fully capable of performing the major duties of his regular occupation for the employer on a full-time basis;
2. the date insurance terminates for one of the reasons stated in When Employee Coverage Ends;
3. the last day of a period of 12 consecutive months which begins on the Policy effective date; or
4. the last day the employee would have been covered under the prior insurer's group or individual Cancer policy, had the prior plan not terminated.

An Employee's Right To Continue Cancer Coverage During A Family Leave Of Absence

Important Notice: This section may not apply to the employer's plan. The employee must contact his employer to find out if he or she must allow for a family leave of absence under federal law. If he or she must allow for such leave, this section applies.

If An Employee's Coverage Would End: An employee's cancer coverage would normally end because he ceases work due to an approved leave of absence. But, he may continue his coverage if the leave has been granted to: (1) allow him to care for a seriously injured or ill spouse, child or parent; (2) after the birth or adoption of a child; (3) due to his own serious health condition; or (4) because of a Serious Injury or Illness arising out of the fact that his spouse, child, parent or next of kin who is a covered service member is on active duty, or has been notified of an impending call or order to active duty, in the armed forces in support of a contingency operation. To continue employee's coverage, he will be required to pay the same share of the premium as he paid before the leave of absence.

When Continuation Ends: Continued coverage will end on the earliest of the following:

- The date the employee returns to active work.
- In the case of a leave granted to the employee to care for a covered service member, the end of a total leave period of 26 weeks in one 12 month period. This 26 week total leave period applies to all leaves granted to the employee under this section for all reasons. If the employee takes an additional leave of absence in a subsequent 12 month period, continued coverage will cease at the end of a total leave period of 12 weeks.
- In any other case, the end of a total leave period of 12 weeks in any 12 month period.
- The date on which the employer's plan is terminated or he is no longer eligible for coverage under this Plan.
- The end of the period for which premium has been paid.

Eligible Dependents For Dependent Cancer Coverage

An employee's eligible dependents are: (1) his legal spouse; (2) unmarried dependent children from birth until they reach age 26.

GP-1-DEP-90-2.0

P477.0065

Option A

Adopted Children And Step-Children

An employee's "unmarried dependent children" include his legally adopted children and his step-children. But, step-children must depend on the employee for most of their support and maintenance. We treat a child as legally adopted from the time the child is placed in the employee's home for the purpose of adoption. We treat such a child this way whether or not a final adoption order is ever issued.

Dependents Not Eligible

We exclude any dependent who is on active duty in any armed force. And, we exclude any dependent who is covered by this plan as an employee. Upon notice of entry into service, pro rata unearned premiums will be refunded.

A child may be an eligible dependent of more than one employee who is insured under this Plan. In that case, the child may be insured for dependent cancer benefits by only one employee at a time.

GP-1-DEP-90-3.1

P477.0066

Option A

Handicapped Children

An employee may have an unmarried child who is: (a) incapable of self-sustaining employment by reason of a mental or physical handicap or developmental disability; and (b) chiefly dependent upon the employee for support and maintenance. In that case such a child may remain eligible for dependent benefits past the age limit subject to the conditions shown below.

- His or her condition started before he or she reached the age limit.
- He or she became covered for dependent cancer benefits before he or she reached the age limit, and remained continuously covered until he or she reached the age limit.
- He or she stays unmarried and remains: (i) incapable of self-sustaining employment; and (ii) dependent upon the employee for most of his or her support and maintenance.
- The employee must send us written proof, and we approve such proof, of the child's disability and dependence within 31 days from the date he or she reaches the age limit. After the two year period following the child's attainment of the age limit, we can ask for periodic proof that the child's condition continues, but we cannot ask for this proof more than once a year.

The child's coverage ends when the employee's coverage ends.

Option A

Proof Of Insurability

We require that the employee answer insurability questions with respect to his or her dependents. The answers to these questions will determine whether or not the employee's dependents will be covered by this Plan.

P477.0069

Option A

When Dependent Coverage Starts

In order for dependent coverage to start, an employee must already be covered for employee coverage, or enroll for employee and dependent coverage at the same time.

Subject to the Exception below and to all of the other terms of this plan, the date dependent coverage starts depends on when the employee elects to enroll his initial dependents and agrees to make any required payments.

If an employee does this on or before his eligibility date, the dependent's coverage is scheduled to start on the later of the 1st day of the month which coincides with or next follows his eligibility date and the date the employee becomes covered for employee coverage.

If the employee does this after his eligibility date, the coverage is scheduled to start on the later of the 1st day of the month which coincides with or next follows the date he signs the enrollment form and the date he becomes covered for employee coverage.

Once an employee has dependent child coverage for his initial dependent child(ren) any newly acquired dependent children will be covered as of the date he or she is first eligible.

GP-1-DEP-90-6.0

P477.0070

Option A

Exception: We will postpone the effective date of a dependent's coverage if, on that date, he or she is: (1) confined to a hospital or other health care facility; (2) home confined; or (3) unable to perform two or more activities of daily living. In that case, we will postpone the effective date of his or her coverage until the day after the date: (a) of his or her discharge from such facility; (b) his or her home confinement ends; or (c) he or she is no longer requires assistance with two or more activities of daily living. If a dependent was covered under a prior plan at transfer, this language will not apply to the amount of coverage that was in force with the prior plan.

GP-1-DEP-90-7.0

P477.0072

Option A

When Dependent Coverage Ends

Dependent coverage ends for all of an employee's dependents when his employee coverage ends. Dependent coverage also ends for all of an employee's dependents when he stops being a member of a class of employees eligible for such coverage. And, it ends when this Plan ends, or when dependent coverage is dropped from this plan for all employees or for his class.

If the employee is required to pay all or part of the cost of dependent coverage, and fails to do so, his dependent coverage ends. It ends on the last day of the period for which he made the required payments, unless coverage ends earlier for other reasons.

An employee's dependent's coverage ends when he or she stops being an eligible dependent. This happens to a child at 12:01 A.M. on the date the child attains this Plan's age limit, when he or she marries, or when a step-child is no longer dependent on the employee for support and maintenance, or for an employee's handicapped child who has reached the age limit, when he or she marries or is no longer dependent on the employee for support and maintenance. It happens to a spouse when a marriage ends in legal divorce or annulment.

We limit what we pay to three days per surgical procedure.

There are separate amounts shown in the schedule of insurance for surgically implanted prosthetic devices and non-surgically implanted prosthetic devices. We limit what we pay for prosthetic devices in a covered person's lifetime to the amounts shown in the schedule of insurance.

Surgically implanted prosthetic devices must be the direct result or consequence of the surgical treatment of internal cancer.

Hormone therapy and immunotherapy is not covered under this provision.

Radiation therapy and chemotherapy treatments must be approved for the treatment of cancer by the United States Food and Drug Administration.

Reconstructive Surgery: We will pay the amount shown in the schedule of insurance if a covered person has reconstructive surgery performed related to the treatment of internal cancer. We pay only for the following procedures: (a) Breast symmetry (modification of the non-cancerous breast performed within 5 years of reconstructing the cancerous breast); (b) Breast reconstruction; (c) Facial reconstruction; and (d) Breast transverse rectus abdominis myocutaneous (TRAM) flap.

Also, we will pay 25% of the reconstructive surgery amounts shown in the schedule of insurance for general anesthesia used during these procedures.

Second Surgical Opinion: If a doctor has diagnosed a covered person with internal cancer requiring surgery and a covered person obtains a second surgical opinion, we will pay the amount shown in the schedule of insurance. However, the second surgical opinion must be from a different doctor than the one who recommended the surgery. We limit what we pay to one benefit per surgical procedure.

Skin Cancer: We will pay the amount shown in the schedule of insurance if a doctor performs any of the following procedures for the purpose of treating diagnosed skin cancer in a covered person: (a) biopsy; (b) reconstructive surgery following previous excision of skin cancer; (c) excision of skin cancer without flap or graft; or (d) excision of skin cancer with flap or graft.

The amount shown in the schedule of insurance includes the amount payable for anesthesia services.

Surgical Benefits: We pay the amount shown in the schedule of insurance if a doctor performs one of the procedures shown in the of insurance for the purpose of treating internal cancer diagnosed in a covered person. The schedule of insurance for surgical procedures does not apply to surgery for skin cancer, which will be covered only under the skin cancer section. And the schedule of insurance for surgical procedures does not apply to reconstructive surgery, which is covered only under the reconstructive surgery section.

If more than one surgical procedure is performed through the same incision, benefits will be paid for only one procedure based upon the highest eligible benefit.

Transportation/Companion Transportation: We pay the amount shown in the schedule of insurance for transportation and companion transportation as follows.

We pay a transportation benefit upon completion of a round trip to transport a covered person to a hospital or clinic for the purpose of internal cancer treatment. However the hospital or clinic must be at least 50 miles from the covered person's home. And transportation cannot be by the use of an ambulance or air ambulance.

If commercial travel (coach-class plane, train or bus) is necessary, we will pay for one additional person to accompany the covered person. If treatment is for a covered dependent child, we will pay for up to two adults to accompany the covered dependent child

Option A

LIMITATIONS

Proof Of Insurability: The *covered person's* coverage may not become effective until he or she submits *proof of insurability* to us. These requirements are shown in the schedule of insurance.

Pre-Existing Conditions: A *pre-existing condition* is a *cancer*, whether *diagnosed* or misdiagnosed, for which in the 12 months before a person becomes covered by this *plan*, he or she: (1) received advice or treatment from a *doctor*; (2) underwent diagnostic procedures; (3) was prescribed or took prescription drugs; or (4) received other medical care or treatment, including consultation with a *doctor*. This *plan* will not pay benefits for *cancer* that is caused by, or results from, a *pre-existing condition* if the *cancer* occurs during the first 12 months that a *covered person* is covered by this *plan*.

If This Plan Replaces Another Plan: This *plan* may be replacing a similar plan that the *employer* had with some other insurer. In that case, the *pre-existing condition* limitation will not apply to any *covered person* who: (1) was covered under the *employer's* old plan on the day before this *plan* started; and (2) has met the requirements of any *pre-existing conditions* limitation of the old plan; and (3) with respect to the employee, is *actively at work on a full-time* basis on the effective date of this *plan*.

If the *covered person*: (1) was covered under the old plan when it ended; (2) enrolls for insurance under this *plan* on or before this *plan's* effective date; and (3) is actively working on the effective date of this *plan*; but(4) has not fulfilled the requirements of any pre-existing condition provision of the old plan; this *plan* will credit any time used to meet the old plan's pre-existing condition provision toward meeting this *plan's* pre-existing condition provision.

But, this *plan* limits a *covered person's* benefit under this *plan* if: (1) the *cancer* is a *pre-existing condition*; and (2) this *plan* pays benefit because this *plan* credits time as explained above. In this case, this *plan* limits the benefit to the amount the *covered person* would have been entitled to under the old plan.

This *plan* deducts all payments made by the old plan under an extension provision.

Option A

EXCLUSIONS

This *plan* will not pay benefits for:

- *Cancer* caused by, contributed to by, or resulting from: (1) participating in a felony, riot or insurrection; (2) intentionally causing a self-inflicted injury; (3) committing or attempting to commit suicide while sane or insane; (4) a *covered person's* mental or emotional disorder, alcoholism or drug addiction; (5) engaging in any illegal activity; or (6) serving in the armed forces or any auxiliary unit of the armed forces of any country.
- *Cancer* arising from war or act of war, even if war is not declared.

Option A

Waiver of Premium

If, while covered by this *plan*, an *employee* becomes disabled due to *cancer* that is diagnosed after the *employee's* effective date, and such *employee* remains disabled for 90 days, we will waive the premium due after such 90 days for as long as the *employee* remains disabled.

To be considered disabled the *employee* must: (1) be unable to work at any job for which he or she is qualified by education, training or experience; and (2) not be working at any job for pay or benefits; and (3) be under the care of a *doctor* for the treatment of *cancer*.

P477.0031

Option A

PORTABILITY PRIVILEGE

Definition: As used in this provision, the terms "port" and "to port" mean to choose a portable certificate of coverage which provides group *cancer* coverage.

Portability Conditions: Portability is subject to all of the conditions described below.

- The *employee* may port his or her coverage or coverage for any of *his or her* dependents if coverage under this *plan* ends because he or she: (a) has terminated employment; (2) stops being a member of an eligible class of *employees*; or (3) this *plan* ends.
- The *employee* may not Port his or her coverage or coverage for any of *his or her* dependents if (1) coverage under this *plan* ends due to his or her failure to pay any required premium; or (2) he or she has reached age 70 on or before *his or her* coverage under this *plan* ends.

Portability Options: The *employee* may port: (1) his or her coverage only; (2) his or her coverage and the coverage of his or her covered spouse; (3) his or her coverage and the coverage of all of his or her covered dependents; or (4) if the *employee* is a single parent, his or her coverage and the coverage of all of his or her covered dependent children. No other combinations will be allowed.

A dependent must be covered as of the date the employee coverage under this *plan* ends in order to be eligible to port.

If an employee dies while covered for dependent *cancer* coverage, his or her spouse may port the dependent *cancer* coverage as described above. The employee's spouse and dependent children must be covered under this *plan* on the date of his or her death. But this option is not available if (1) there is no surviving spouse; or (2) the surviving spouse has reached age 70 on the date the *employee* dies.

The Portable Certificate of Coverage: The portable certificate of coverage provides group *cancer* coverage. The benefits provided by the portable certificate of coverage are the same as the benefits provided by this *plan*.

The premium for the portable certificate of coverage will be based on: the *covered person's* rate class under this *plan*; and (2) Your or Your surviving spouse's age bracket as shown in the Cancer Portability Coverage Premium Notice.

How to Port: The *employee* or his or her surviving spouse must: (1) apply to *us* in writing; and (2) pay the required premium. The *employee* or his or her surviving spouse must do this within 31 days from the date his or her coverage under this *plan* ends.

We will not ask for *proof* that the *employee* or his or her surviving spouse are in good health.

POLICY AMENDMENT

ELIGIBILITY FOR CANCER COVERAGE

Effective on the latter of (i) the original effective date of the Policy; or (ii) the effective date of any applicable amendment requested by the Policyholder and approved by the Insurance Company, this rider amends this Plan by replacing the following:

Conditions of Eligibility

Proof of Insurability

Part or all the employee's insurance amounts may be subject to Proof of Insurability. The employee and dependents will not be covered for any amount that requires such Proof of Insurability until the employee gives the Proof of Insurability to us and we approve that Proof of Insurability in writing.

If the employee elects to enroll within 31 days after his or her eligibility date, coverage is scheduled to start on his or her eligibility date.

If the employee does not elect this coverage within 31 days of his or her eligibility date, he or she must answer health questions, or wait until the next scheduled group enrollment period. Once each year, during the group enrollment period, the employee may elect to enroll in this coverage as offered by the employer. As used here, "group enrollment period" means an annual open enrollment period set by the employer and agreed to by us. If the employee elects to enroll outside of the group open enrollment period, he or she must provide Proof of Insurability by answering health questions, or wait until the next group enrollment period.

If Proof of Insurability is required, the employee and dependents will not be covered by this Plan until we approve that Proof of Insurability in writing and notify the employee of the effective date of coverage.

When Employee Coverage Starts

The employee's eligibility date is the date he or she has met all of the conditions of eligibility.

Whether the employee must pay all or part of the cost of the coverage, he or she must elect to enroll and agree to make the required payments before his or her coverage will start. If the employee does this on or before his or her eligibility date, his or her coverage is scheduled to start on his or her eligibility date. If the employee does this within 31 days after his or her eligibility date, his or her coverage is scheduled to start on the eligibility date. If the employee elects to enroll and agrees to make the required payments more than 31 days after his or her eligibility date, his or her coverage will not be scheduled to start until he or she sends us Proof of Insurability or until he or she enrolls during the next group enrollment period. If Proof of Insurability is required, the employee will not be covered by this Plan until we approve that Proof of Insurability in writing and notify the employee of his or her effective date of coverage.

If the employee's active service ends before he or she meets any Proof of Insurability requirements that apply, he or she will still have to meet those requirements if he or she is later re-employed by the employer or an associated company.

On the date all or part of the employee's coverage is scheduled to start, he or she must be: (1) actively at work; (2) fully capable of performing the major duties of his or her regular occupation; and (3) working his or her regular number of hours. In that case, the employee's coverage will start at 12:01 A.M. Standard Time for his or her place of residence on that date. In any other case, we will postpone the start of the employee's coverage until the date he or she: (a) returns to active work; (b) is working his or her regular number of hours; and (c) is fully capable of performing the major duties of his or her regular occupation. Sometimes, a

scheduled effective date is not a regularly scheduled work day. If the scheduled effective date falls: on a holiday; on a vacation day; on a non-scheduled work day; during a layoff of less than 180 days in duration; during an approved leave of absence not due to sickness or injury, of 90 days or less; or on a day during a period of absence that is less than 7 days in duration; and if: (a) the employee was fully capable of performing the major duties of his or her regular occupation for the employer on a full-time basis at 12:01 AM Standard Time for his or her place of residence on the scheduled effective date; and (b) he or she was performing the major duties of his or her regular occupation and working his or her regular number of hours on his or her last regularly scheduled work day; his or her coverage will start on the scheduled effective date.

DEPENDENT COVERAGE

Proof of Insurability

Part or all of the employee's initial dependents insurance amounts may be subject to Proof of Insurability. The employee's initial dependents will not be covered for any amount that requires such Proof of Insurability until the employee gives the Proof of Insurability to us and we approve that Proof of Insurability in writing.

If the employee elects to enroll his or her initial dependents within 31 days after his or her eligibility date, coverage is scheduled to start on his or her eligibility date.

If the employee does not elect initial dependent coverage within 31 days of his or her eligibility date, his or her initial dependents must answer health questions, or wait until the next scheduled group enrollment period to enroll. Once each year, during the group enrollment period, the employee may elect to enroll initial dependents in this coverage as offered by the employer. As used here, "group enrollment period" means an annual open enrollment period set by the employer and agreed to by us. If the employee elects to enroll his or her initial dependents outside of the group open enrollment period, he or she must provide Proof of Insurability by answering health questions, or wait until the next group enrollment period.

If Proof of Insurability is required, the employee's initial dependents will not be covered by this Plan until we approve that Proof of Insurability in writing and notify the employee of his or her initial dependents effective date of coverage.

In the case of a newly acquired dependent, other than the first newborn child, the employee may elect to enroll a newly acquired dependent within 31 days. If the employee does not elect to enroll a newly acquired dependent within 31 days of his or her eligibility date, the newly acquired dependent(s) may have to answer health questions, or wait until the next scheduled group enrollment period to enroll.

If the employee's dependent coverage ends for any reason, including failure to make the required payments, the employee's dependent(s) will not be covered by this Plan again until he or she gives us new Proof of Insurability that they are insurable and we approve that Proof of Insurability in writing, or wait until the next group enrollment period.

When Dependent Coverage Starts

In order for the employee's dependent coverage to start, he or she must already be covered for employee coverage, or enroll for employee and dependent coverage at the same time.

If the employee enrolls his or her dependent(s) on or before his or her eligibility date, the dependent's coverage is scheduled to start on the later of the employee's eligibility date and the date he or she becomes covered for employee coverage.

If the employee does this within the group enrollment period, the coverage is scheduled to start on the date he or she becomes covered for employee coverage.

If the employee does this after the group enrollment period ends, his or her dependent coverage may be subject to Proof of Insurability and will not start until we approve that Proof of Insurability in writing.

Once the employee has dependent child coverage for initial dependent child(ren) any newly acquired dependent children will be covered as of the date he or she is first eligible.

Whether the employee must pay all or part of the cost this coverage, he or she must elect to enroll and agree to make the required payments before his or her coverage will start. If the employee does this on or before his or her eligibility date, his or her coverage is scheduled to start on his or her eligibility date. If the employee

does this within 31 days after his or her eligibility date, his or her coverage is scheduled to start on the eligibility date. If the employee elects to enroll and agree to make the required payments more than 31 days after his or her eligibility date, his or her coverage will not be scheduled to start until he or she sends us Proof of Insurability or until he or she enrolls during the next group enrollment period. If Proof of Insurability is required, the employee will not be covered by this Plan until we approve that Proof of Insurability in writing and notify the employee of his or her effective date of coverage.

If Proof of Insurability is required for dependent benefits as explained above, those benefits will not be scheduled to start until the employee gives us Proof of Insurability that the dependent is insurable. Once we have approved that Proof of Insurability, those benefits will be scheduled to start on the effective date shown in the endorsement section of the employee's application.
